the writers of practising the witch's craft provide deep insights for newcomers and for experienced witches into what it means to be a contemporary witch and how witches practise their art and integrate their magic with everyday life. Vivianne Crowley, author of *Wicca: The Old Religion in the New Millennium* and the natural magician practising the witch's craft, tells the stories of ordinary people who have discovered that life is enchanted and that witchcraft works for them much more than a book of spells. It shows how witchcraft celebrates the pleasure and mystery of life. Leaders of the witchcraft movement and practitioners with many years of experience talk about what real witches actually do. They describe powerful rituals and moving magical encounters and discuss how they work with natural forces including sexuality and the seasons. They also explain how to do spells, create personal rituals, use incense and herbs, and find a coven. Witchcraft is a living spirituality that gives meaning and purpose in life and helps practitioners cope with hard times. With insights from many different traditions including Wicca and Paganism, *Practising the Witch's Craft* invites you into the world of contemporary witchcraft.

With a breathtaking array of original stories from around the world, *Practising the Witch's Craft* features a new and exciting twist to one of the most beloved figures in fiction: witches. In never-before-seen works written exclusively for the book, award-winning editor Jonathan Strahan and illustrated by award-nominated artist Alyssa Winans, witches—whether you know them from Shakespeare or from *Wicked*—are no staple more beloved in folklore, fairy tale, or fantasy than these magical beings. Witches are everywhere and at the heart of stories that resonate with many people around the world. This dazzling, otherworldly collection gathers new stories of witches from all walks of life, ensuring that Halloween readers will never forget whether they be maiden, mother, crone, or other.
